Information leaflet for first-year students
of Liberal Arts and Sciences
Winter semester 2014/2015

This leaflet provides information on how and where to apply for the Liberal Arts and Sciences degree programme at the University of Freiburg and what is required when doing so.

Postal address and application deadline

Please send your completed and signed application for admission to the following address:

Universität Freiburg,
University College Freiburg
Postfach
79085 Freiburg
Germany

The application deadline is 15 July 2014 (exclusion date).

Documentation required when applying for admission

The following documents must be included in the application for admission:

- official certified copy of the school leaving certificate or diploma,
- evidence of participation in the student orientation process (see below),
- evidence of knowledge of English at B2 level in accordance with the Common European Framework of Reference (CEFR), i.e. test results at the relevant level (TOEFL, IELTS or Cambridge ESOL are accepted),
- a personal statement written in English comprising no more than two sides of A4, together with a personally signed declaration, also written in English, to confirm that the personal statement has been written by you, independently and without external help, and that any content taken from external sources has been declared as such,
- if applicable: evidence of practical work as part of a voluntary service of at least nine continuous months (European Voluntary Service),
- if applicable: evidence of at least six months of continuous residence in a foreign-language country (e.g. language course, exchange programme).

Student orientation process ("Study-orientation-test")

In order to process your application we need evidence of you having completed the student orientation process ("study-orientation-test"): http://www.osa.uni-freiburg.de/las/

Once you have worked through the process, a confirmation of your participation can be printed. Please enclose this with your application or hand in the confirmation no later than the time of enrolment.

Issuing of admission and rejection notifications – deadlines and dates

Admission and rejection notifications are posted during the first half of August. Admission notifications also provide information regarding your individual enrolment date. It is therefore essential as part of your application that you provide an address where you can be reached during August.

Start of orientation week: 20th October 2014  End of lectures: 20th February 2015
