Broaden
your
horizon!

Easily meet nice people from all over the world! We offer a fun-filled mix of activities in and around Freiburg.

APIS

Workshops

Studying can be very challenging - we are here for you!

Our workshops support you in developing your personal and your study skills:

- Successful start of studies
- I dare to speak German
- I believe in myself
- Core competences for your studies
- Intercultural training
- Application training for career entry

„I dare to speak German“ with Gabriela Varela Lopez, summer semester 2022

APIS

Language courses

Learn a new language or improve your language skills!

- Every semester we offer courses in German, English and French.
- Intensive courses are held during the semester break.
- The courses are conducted by the Language Teaching Institute (SLI).
- The courses are free of charge.
