Request for Payment

Pursuant to §§ 1 to 3 of the Contribution Regulations of the Studierendenwerk Freiburg in the version adopted by the Administrative Board of the Studierendenwerk on 04 March 2020 in conjunction with § 12 Para. 2 and § 6 Para. 1 of the Studierendenwerkgesetz (SWG), you are required to pay the following contribution to cover the costs of the Studierendenwerk Freiburg and for the possibility to use the public transport semester ticket for the summer semester 2022

€ 84,00

Of this, a contribution of €56.00 is paid to the Studierendenwerk and a contribution of €28.00 is used to finance the semester ticket. This basic contribution entitles the student to purchase the public transport ticket, which is valid for one semester, and is passed on in full by the Studierendenwerk to the RegioVerkehrsverbund Freiburg. The Studierendenwerk uses the € 56.00 contribution to finance the following facilities and measures, among others:

– general purposes of the Studierendenwerk
– mensa and cafeterias
– loan and hardship funds
– insurances
– day nurseries
– psychotherapeutic counselling
– room agency and job placement
– consulting center

The contribution is a solidarity contribution, which is obligatory for all students. Students on leave of absence only have to pay the contribution of € 56.00. The share of € 28.00 for the semester ticket is not charged (the semester ticket cannot be purchased).

Proof of payment of the contribution must be provided when enrolling or re-registering.
